

Welcome to the recruitment page for the NEW OLYMPIC AIR!

We are pleased that you have chosen to explore working with us. Please take a moment to read a little about our Company here and if you have not yet done so, please also feel free to return to www.marfininvestmentgroup.com to learn about our parent Company, Marfin Investment Group, one of the leading international conglomerate in Greece. MIG employs over 56,000 employees internationally and generates over 1.7 billion Euros in revenue.

Who are we? Olympic Air is a NEW airline, which will begin operating out of Greece on the 1st of October, 2009. You may recognise our name, which comes from the National carrier of Greece, an airline which can trace its roots back over 50 years.

We are looking for people who are proud to work for an airline that celebrates the history of Greek aviation and that has a passion for innovation and service!

Our goal: To be the leading Greek airline, and amongst the leading carriers in Europe. While we are a modern Company, operating a fleet of new, next generation aircraft, we will welcome our guests on board with traditional Greek hospitality, style and flair.

Our difference: Our staff! Olympic Air recognises that our employees are our connection to our customers. You are our most important asset.

Our commitment to you: At Marfin, we are committed to your development and success. As such, we will support you and provide opportunities for growth both in the airline and into our other businesses.

Your commitment to us: In return for our commitment to you, we are very interested in hearing from hard working, committed people who want to be part of this exciting new airline, people who hold themselves to the highest standards of service and who have the warmth to welcome our guests on board.

If you are keen to make a difference, we want to hear from you!

We are looking for sales and operations staff in a number of countries. For each position, national language skills, and written and spoken English skills are required. Greek language skills are considered highly desirable, but not essential.

Please note that similar positions in other Countries are already placed. Further future additions will be announced when and if appropriate.

The closing dates vary from **31 July to 14 August 2009** depending on the country. Please click on the link below to be redirected to our Job listing. We look forward to hearing from you
